

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SEVENTEENTH CONGRESS
Second Regular Session

House Resolution Number **1086**

Introduced by HON. DANILO E. SUAREZ

RESOLUTION CALLING FOR AN INVESTIGATION IN AID OF LEGISLATION
BY THE APPROPRIATE COMMITTEE OF THE HOUSE OF REPRESENTATIVES TO INVESTIGATE THE
EFFECT OF ARTIFICIAL INTELLIGENCE (AI) ON WORKERS AND EMPLOYMENT

WHEREAS, Section 10 Article XIV of the 1987 Constitution provides that "science and technology are essential for national development and progress"; and mandates the State to "give priority to research and development, invention, innovation, and their utilization; and to science and technology education, training, and services;" and shall support their application to the country's productive systems and national life;

WHEREAS, Section 12 Article IV of the 1987 Constitution mandates the State to "regulate the transfer and promote the adaptation of technology from all sources for the national benefit";

WHEREAS, Artificial Intelligence (AI) is the development of computer systems or machines that perform specific tasks or functions and exhibit intelligence and basic learning, such as robots;

WHEREAS, the Department of Science and Technology (DOST), in its final Harmonized National R&D Agenda 2017-2022 has identified 11 areas/strategies, one of which is, "R&D to apply technologies across sectors for our benefits (e.g. artificial intelligence and space technology)";

WHEREAS, the Philippine IT-BPM Roadmap 2022 (ACCELERATE PH) emphasizes that the Information Technology and Business Process Management (IT-BPM) evolves with the changing demands of the market to remain competitive with regard to the rapid innovations in the areas of digital transformation, artificial intelligence, big data and analytics, and evolving delivery models;

WHEREAS, the Department of Information and Communications Technology (DICT) presented that automation of tasks or functions will affect 48% of employees in the Philippines by reducing a laborer's job or taking away the entire role.

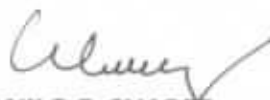

WHEREAS, the Department of Science and Technology (DOST) is crafting a program to respond to the threat of Artificial Intelligence (AI) to the BPO sector as call center agents could soon be replaced by intelligent computers in answering phone calls and handling business processes;

WHEREAS, Section 3 Article XIII states that, "The State shall afford full protection to labor, local and overseas, organized and unorganized, and promote full employment and equality of employment opportunities for all";

WHEREAS, in a truly progressive country, there should be a balance between technological advancement and human resource development;

THEREFORE, be it resolved as it is hereby resolved that the appropriate Committee of the House of Representatives conduct an inquiry in aid of legislation on the effect of Artificial Intelligence (AI) on workers and employment.

Adopted,

DANILO E. SUAREZ

Representative

Third District, Province of Quezon
